DARTMOOR BIKE PARK

Dartmoor Bike Park at River Dart Country Park has an impressive Freeride Area designed and built by ex-pro BMXer Kye Forte.

The skills area consists of four runs graded from blue to orange. A range of short runs contain sizeable jumps, a 'boner log' drop and a mulch trick jump. Gravity fuelled riding is now possible at Dartmoor Bike Park!

Available at additional cost on selected dates.

TREE TRAIL ACTIVITY

This fascinating trail is fun for all ages and will take you on an adventure across the park, discovering and learning about various tree species along the way.

HOW IT WORKS

Download the River Dart Country Park app (available on the App Store and Google Play) to use the interactive tree trail map.

Guiding you from tree to tree, this map includes clickable icons with detailed information for each tree.

Alternatively, locate the info boards positioned by each tree. These boards contain fun facts and bitesize information, perfect for kids!
